

NATIONAL FREIGHT AND SUPPLY CHAIN STRATEGY IMPLEMENTATION ARRANGEMENTS

New South Wales

NSW released the NSW Freight and Ports Plan 2018-2023 in September 2018. This Plan sets the NSW Government's priorities for the sector over the five years. The NSW Freight and Ports Plan 2018 2023 is available at www.transport.nsw.gov.au/projects/strategy/nsw-freight-and-ports-plan.

The NSW Freight and Ports Plan 2018-2023 included an Implementation Plan that contains details of 117 initiatives. This is available at www.transport.nsw.gov.au/projects/strategy/nsw-freight-and-ports-plan/implementation-plan.

The NSW Freight and Ports Plan 2018-2023 is aligned with the National Freight and Supply Chain Strategy which was released in August 2019. NSW's commitments to the National Freight and Supply Chain National Action Plan will be achieved through delivering NSW Freight and Ports Plan 2018-2023 initiatives. The relevant actions from the NSW Implementation Plan to the actions in the National Action Plan will be made available at www.transport.nsw.gov.au/projects/strategy/nsw-freight-and-ports-plan.
